- **Working alongside Principals and Senior Lawyers**
- **Great growth opportunities**
- **Supportive modern management style**
- **Broad mix of property matters**
- **Offices located in Brisbane CBD, Carina, Morningside and Wynnum**
- **WFH flexibility**

An outstanding opportunity exists for a motivated Property Lawyer to join our dynamic team at our **MORNINGSIDE**.

**DBL** is well known as a market leader with an established client base and excellent reputation. Owing to continued growth, we are recruiting a specialist who will complement our team.

The role offers an exceptional opportunity, supporting career growth and personal development.

The position involves working directly with clients and alongside other in-house senior property lawyers across the full spectrum of Property and Real Estate matters including:

- Commercial and retail leasing for key clients;
- Sales and acquisitions (including conducting due diligence enquiries);
- Liaising with clients, agents, law firms, banks & brokers;
- Drafting various correspondence and contracts;
- Working with electronic (PEXA) workspaces;
- Calculating settlement figures and arranging settlements;
- In-house stamping of contracts and transfers;
- Preparation and lodgement of Titles Office forms;
- Keeping up to date with legislative and industry changes.

To be successful in this role you will have:

- Previous experience working within a Property Law team managing your own files;
- Accuracy and a high attention to detail;
- Excellent client communication and organisational skills;
- Optimism with an openness to embedding yourself in the happy and stable culture of the firm;
- A strong academic transcript from a recognised educational institution.

**About you:**

- Experience in Commercial & Property Law;
- A team player who is engaging and results driven;
- Professional, well presented with a positive disposition;
- Strong drafting and technical skills;
- Excellent communication skills to service our diverse and loyal client base;
- Contribute to the growth and presence of the firm in the local area;
- Highly adaptable with a client service focused approach.

**About the firm:**

The firm will provide you with the platform to manage your own files and build your profile in a positive and supportive environment.

Salary commensurate with experience and ability.
